

# JUNIOR TENNIS GROUP LESSONS SPRING 2018

**DATES:** Monday, April 30, 2018 – Sunday, June 24, 2018 (no classes 5/28)

The primary concern is giving each young player the best possible chance to reach their potential at whatever level that might be. Beginner and advanced beginner classes will teach the fundamental of the game of tennis including strokes, footwork, etiquette, rules and scoring. Intermediate classes will add tactics and strategy in addition to refining proper stroke technique.
