Welcome to our NURSERY!

Effective 1/2/19

We dedicate ourselves to care for your children while you enjoy all of all membership benefits at Solaris! To ensure a safe and healthy environment for your child, please be aware of the following policies and procedures.

General Information

- The nursery is for children between the ages of 3 months and 10 years old.
- Parents must be in the club at all times while their child is in the nursery.
- The time limit for each child is two hours. For children under 6 months, the time limit is one hour and fifteen minutes.
- In inclement weather, please be aware of delays and openings. If Yorktown School District has a delayed opening our nursery will open at 10:30am. If Yorktown School District has closed schools our nursery will be closed for our morning hours. Please call before leaving your home to verify with our front desk.
- Each member of the nursery staff has been chosen because of their caring personalities towards children. All nursery staff are CPR certified.

Check-In / Check-Out Procedures

- As you bring your child into the nursery, our caring staff will be happy to check them in.
- Payment is due at the front desk at the time of check-in.
- The same person who signs them in must sign them out unless prior arrangements have been made.

Health Policies

- Solaris reserves the right to deny access to any child who appears to be sick. Children kept home from school due to illness are not allowed in the nursery. The caregiver's discretion will be respected and supported.
- Nursery employees will not change diapers. Diaper changing is the responsibility of the parent or guardian. When this is necessary, parents or guardians will be notified by the nursery staff.
- Children who are being potty trained must wear protective training pants in the nursery.
- Absolutely no medication will be given to a child in our care.

Food & Drink Policies

- All baby bottles and drink containers must be non-drip and labeled.
- No food/snacks are allowed in the nursery.
